

## Going Underground - The Jam (amended)

[D] Some people might say my life is in a [Bm] rut,  
 [Bm] But Im quite happy living with what I [D] got  
 [D] People might say that I should strive for [Bm] more,  
 [Bm] But Im so happy I can't see the point [C]  
 [C] Somethings happening [Em] here today  
 [C] A show of strength with your [Em] boys brigade and,  
 [C] I'm so happy and [Em] you're so kind  
 [C] You want more money of [Em] course I don't mind  
 [C] To buy nuclear textbooks for at-[Em] omic crimes

**Chorus:** And the [D] public gets what the [G] public wants  
 But [Em] I want nothing this [A] society's got -  
 Im going [D] underground, (going [G] underground)  
 Where [Em] the brass bands play and [A] feet start to pound  
 Going [D] underground, (going [G] underground)  
 Well let the [Em] boys all sing and let the [A] boys all shout for [D] tomorrow

[D] Some people might get some pleasure out of [Bm] hate,  
 [Bm] Me, I've enough already on my [D] plate,  
 [D] People might need some tension to re-[Bm] lax,  
 [Bm] Me? I'm too busy dodging 'tween the [C] flak  
 [C] What you see is [Em] what you get, [C] You made your bed, you better [Em] lie in it  
 [C] You choose your leaders and [Em] place your trust,  
 [C] As their lies put you down and their [Em] promises bust  
 [C] You'll see kidney machines replace by [Em] rockets and guns

### Chorus

[D] //// [G] La la la la, hey [Em] //// [A] La la la la, hey x 2

Im going [D] underground, (going [G] underground)  
 Where [Em] the brass bands play and [A] feet start to pound  
 Going [D] underground, (going [G] underground)  
 Well let the [Em] boys all sing and let the [A] boys all shout for [D] tomorrow [End]
