

Making your mind up - Bucks Fizz

Drum intro and come in on [G]

You got to [G] speed it up, And then you gotta slow it down
 'Cos if you [C] believe that a love can hit the top, You gotta [G] play around
 But soon you will [D] find that there comes a time [Stop] For making your [G] mind up

You got to [G] turn it on, And then you gotta put it out
 You got to be [C] sure that it's something, Everybody's gonna [G] talk about
 Before you dec- [D]-ide that the time's arrived [Stop] For making your [G] mind up

Chorus:

Don't [C] let your [D] inde - [G]-cision, [C] Take you [D] from be - [G]-hind
 [C] Trust your [D] inner [G] vision, [C] Don't let others [D] change your mi - [D7]-iiind

And now you really got to [G] burn it up, And make another fly by night
 Get a [C] run for your money and take a chance, And it'll [G] turn out right
 And when you can [D] see how it's got to be [Stop] You're making your [G] mind up

INSTRUMENTAL CHORUS

And try to look as if you [G] don't care less, But if you want to see some more
 Bending the [C] rules of the game will let you find, The one you're [G] looking for
 And they can [D] show that you think you know [Stop] You're making your [G] mind up

Chorus, then last verse x 2

And now you really gotta [G] speed it up, And then you gotta slow it down
 'Cos if you [C] believe that a love can hit the top, You gotta [G] play around
 But soon you will [D] find that there comes a time [Stop] For making your [G] mind up

Second time around:

For making your [G] mind up x 3
