

Marguerita Time - Status Quo

Intro: [Kazoo] [G] [A] [Bm] [G] [D] [A] [D] //

Captured my [D] heart, captured my [A] memory,
Captured a [Bm] time for me, [F#m] I could see,
A [Em] time for me was [A] gonna be.
Deep in my [D] heart, deep in my [A] memory,
Deep in a [Bm] part of me, [F#m] heart of me,
[Em] Meant to be [A] history, [Em] Could it be that [A] I'm still wandering

Chorus: [D] I never knew what had [G] happened to me,
[A] I didn't think it was [D] true,
[D] That I could be just like [G] anyone else,
[A] I'll take my [D] chance with you.

[Kazoo - same as intro] [G] [A] [Bm] [G] [D] [A] [D] //

Picture a [D] dream, picture a [A] fantasy,
Picture the [Bm] mood of me, [F#m] mystery,
[Em] You and me [A] A mystery
Lost in a [D] dream, lost in a [A] fantasy,
Lost in what [Bm] seemed to be, [F#m] dreams to me,
[Em] Seemed to be [A] had to be, [Em] Couldn't find no [A] other reason

Chorus & Kazoo line

Let's have a [D] drink, it's marguer- [A] -ita time,
It's marguer- [Bm]-ita time, [F#m] after nine,
[Em] Summer time [A] Any time
[Em] You'll still always [A] find me wandering

Chorus & repeat instrument/Kazoo line to fade.....
