

Saturday night at the movies - The Drifters

Well, [D] Saturday night at 8 o'clock
I know where I'm gonna go,
[A7] I'm gonna pick my baby up,
And take her to the picture [D] show.
Everybody in the neighbourhood,
Is [D7] dressing up to be there [G] too-ooo,
And we're gonna [D] have a ball just [A7] like we always [D] do.

Saturday [G] night at the movies, who cares what [D] picture you see,
When you're hugging with your baby in the [A7] last row in the [D] balcony.

Well, there's [D] Technicolor and Cinemascope,
A cast out of Hollywood,
And the [A7] popcorn from the candy stand,
Makes it all seem twice as [D] good.
There's always lots of [D7] pretty girls,
With figures they don't try to [G] hi-iiide,
But they never [D] can compare to the [A7] girl sittin' by my [D] side

Saturday [G] night at the movies, who cares what [D] picture you see,
When you're hugging with your baby in the [A7] last row in the [D] balcony.

Well - Saturday [G] night at the movies, who cares what [D] picture you see,
When you're hugging with your baby in the [A7] last row in the [D] balcony.

Oohh - Saturday [G] night at the movies, who cares what [D] picture you see,
