

## Total Eclipse of the Heart - Bonnie Tyler

### Single strums on [Am]

[Am] [Turn around] Every now and then I get a [G] little bit lonely  
and you're never coming round.

[Am] [Turn around] Every now and then I get a [G] little bit tired  
of listening to the sound of my [C] tears.

[Turn around] Every now and then I get a [Bb] little bit nervous  
that the best of all the years have gone [C] by.

[Turn around] Every now and then I get a [Bb] little bit terrified  
and then I see the look in your eyes.

[Eb] [Turn around, Bright Eyes] [G#] Every now and then I fall apart x 2

[Am] [Turn around] Every now and then I get a [G] little bit restless  
and I dream of something wild

[Am] [Turn around] Every now and then I get a [G] little bit helpless  
and I'm lying like a child in your [C] arms

[Turn around] Every now and then I get a [Bb] little bit angry  
and I know I've got to get out and [C] cry

[Turn around] Every now and then I get a [Bb] little bit terrified  
but then I see the look in your eyes.

[Eb] [Turn around, Bright Eyes] [G#] Every now and then I fall apart x 2

And I [Em] need you now to- [C] night, and I [D] need you more than [G] ever  
and if you [Em] only hold me [C] tight, we'll be [D] holding on [G] forever  
And we'll [Em] only be making it [C] right, 'cause we'll [D] never be wrong.

[C] Together we can take it to the [D] end of the line.

Your [Em] love is like a shadow on me [A] all of the time.

I [G] don't know what to do and I'm [D] always in the dark.

We're [Em] living in a powder keg and [A] giving off sparks.

I really need you [G] tonight, for-[Em]-ever's gonna start to-[C]-night,

For-[D]-ever's gonna start tonight

[G] Once upon a time I was [Em] falling in love but [B] now I'm only falling a-[C]-part  
There's [Am] nothing I can do, a [D] total eclipse of the [G] heart [Em] [C] [D]

[G] Once upon a time there was [Em] light in my life,

But [B] now there's only love in the [C] dark

There's [Am] nothing I can say, a [D] total eclipse of the [G] heart [Em] [C] [D]

A [D] total eclipse of the [G] heart [Em] [C] [D] - [Fade]
